◆ KGOC Organizes a Joint Eid Al-Fitr Reception

In collaboration with Kuwait Oil Company

In a warm and festive atmosphere, and in collaboration with Kuwait Oil Company (KOC), Kuwait Gulf Oil Company (KGOC) hosted a joint Eid Al-Fitr reception on April 2, 2025, at the Government Guest House in Ahmadi.

The event saw a large gathering of K-Companies executives and employees from both companies, who exchanged greetings and enjoyed friendly conversations in celebration of the occasion.

KGOC acting CEO, Mr. Abdulwahab Al-Mithin, and KOC CEO,

Mr. Ahmed Al-Aidan, along with deputy CEOs from both companies welcomed the attendees.

His excellency the Governor of Ahmadi, Sheikh Hamoud Al-Jaber Al-Ahmad Al-Sabah led the crowd of well-wishers, which also included senior executives from Kuwait Petroleum Corporation (KPC) and its subsidiaries, as well as representatives from various governmental entities, and a significant number of employees from different operational sites of KGOC and KOC.

Acting CEO and DCEO Joint Operations Visit Main Office in Ahmadi

They met the employees and exchanged congratulations on Eid Al-Fitr

On Eid Al-Fitr, KGOC Acting CEO, Mr. Abdulwahab Al-Mithin and DCEO, Joint Operations Mr. Bader Ahmad Al-Munaifi visited the company's main office in Al-Ahmadi.

During the visit, Al-Mithin and Al-Munaifi toured the buildings and met with all the employees there, exchanging greetings with them on this occasion. They also visited the company employees in Al-Tameer Office Building to offer Eid greetings.

◆ Acting CEO Signs Cooperation Protocol with Kuwait Credit Bank

It aims to strengthen collaboration, and enhance operational efficiency

In alignment with the Kuwait's digital transformation initiatives and efforts to enhance electronic integration between government and private entities, the KGOC's acting CEO, Mr. Abdulwahab Al-Mithin, signed a cooperation protocol with Kuwait Credit Bank to establish an automated linkage between the two organizations. The signing ceremony took place on Thursday, March 20, 2025, at the bank's headquarters in South Surra.

DCEO Financial and Administrative Affairs, Mr. Badr Al-Munaifi; Manager Financial Services Group, Mr. Khalifa Al-Kafif; and Team Leader Financial Payments, Ms. Mashaal Al Mannaie attended the signing ceremony.

The protocol aims to strengthen collaboration, enhance operational efficiency, and save time and effort while ensuring the availability of accurate and secure information from trusted sources.

KUWAIT CREDIT BANK

The partnership will facilitate the automation of salary certificate issuance and government deduction details for employees through Web Service, significantly improving the speed and accuracy of financial transactions.

◆ The Governor of Ahmadi and KGOC Delegation Visit Al-Adan Hospital

The visit was coordinated with the MoH to congratulate patients on Eid Al-Fitr

As part of the ongoing cooperation between Ahmadi Governorate and Kuwait Gulf Oil Company to support community initiatives, His Excellency the Governor of Ahmadi, Sheikh Hamoud Jaber Al-Ahmad Al-Sabah visited Al-Adan Hospital on Sunday, March 30, 2025, accompanied by a delegation from the company to congratulate the patients on Eid Al-Fitr and offer them gifts.

His Excellency, the Governor of Ahmadi affirmed that the visit is part of the continued role of the Governorate in supporting the community, and the importance of connecting with patients to express solidarity and compassion during significant occasions. He wished all patients a speedy and complete recovery.

Manager, Information Technology and Services Group Mr. Hussain Bin-Ali, Team Leader, Public Relations and Information Mr. Materan Al Shammari, Chief Public Relations Officer Ms. Dalia Al-Hashash and Chief Media Relations Officer Ms. Afrah Al-Adwani represented KGOC on the visit.

The visit was warmly welcomed by the patients and hospital

leadership alike, including General Manger of Al-Ahmadi Health District, Dr. Bader Al-Otaibi, and Manager of Al-Adan Hospital, Dr. Hussain Al-Shammari, along with several medical and nursing staff members. They expressed their sincere appreciation to His Excellency the Governor and KGOC for their kind gesture and the positive impact it had on the patients, who were delighted to share in the joy of Eid.

◆ Quarterly Contractors' Meeting at Wafra Joint Operations

The meeting focused on project challenges and achievements

Wafra Joint Operations hosted its quarterly meeting with all contractors. Manager Environment, Health, Safety, Fire, and Security Group, Mr. Qaed Bouarki, and Team Leader Health and Safety Mr. Ashraf Al-Rashidi, attended the meeting. The meeting took place at the Wafra Joint Operations headquarters on Thursday, March 13, 2025.

The meeting focused on reviewing key project challenges and discussing the achievements. At the conclusion of the session, outstanding contractors were recognized for their exceptional operational performance and their contributions to achieving objectives while maintaining the highest standards of quality, safety, and efficiency.

◆ Joint Drill Between WJO Firefighting Team & Its KOC Counterpart

As part of endeavors to enhance firefighters' ability to manage emergencies

A joint firefighting drill was conducted between the Wafra Joint Operations Fire Team and their counterparts from KOC. The drill took place on Thursday, March 13, 2025, at Wafra Joint Operations under the supervision of Team Leader Fire Team, Mr. Nather Al-Abbasi. Participants included Senior Fire Officer Mr. Abdulaziz Yaqoub from Wafra Joint Operations, along with Mr. Jassem Al-Qallaf, Mr. Ali Safar, and Mr. Mohammed Mahmoud from KOC's Fire Team.

The drill aimed to enhance firefighters' ability to manage emergency situations, improve communication procedures, and ensure adherence to established protocols within the oil sector. This initiative is part of ongoing efforts to strengthen firefighting teams' efficiency, readiness, and capability to handle various emergency scenarios effectively.

Marine & Export Operations Group Visits Its KOC Counterpart

As part of efforts to enhance efficiency and optimize export systems

On Thursday, March 20, 2025, the Marine & Export Operations Group of the Wafra Joint Operations conducted a field visit to Kuwait Oil Company's Export Operations Group. The visit aimed at exploring the latest technologies used in export operations and fostering exchange of expertise between the two sides.

Manager Marine & Export Operations Group, Mr. Mohammed Fahad Al-Dosari; Team Leader Mechanical and Electrical

Maintenance Mr. Nawaf Al-Harbi; and Senior Operations Engineer Mr. Ahmed Al-Mulla, along with a team of specialized engineers represented KGOC in the visit.

This collaboration is part of ongoing efforts to enhance operational efficiency and optimize export systems, contributing to improved performance and maximizing the benefits of shared expertise.

Ramadan 2025 Umrah Trip

The Public Relations & Information Team organized an Umrah trip for the Company employees and their families during the holy month of Ramadan 2025. The trip to Mecca lasted for three days, from March 12 to March 15, 2025.

Under the supervision of Senior Public Relations Officer Dr. Hadi Al-Khaldi, employees and their families performed Umrah with all the necessary arrangements in place to ensure their comfort and safety throughout the journey.
